Welcome to Oakley Kindergarten

Our aims:

- To enhance the development and education of children under statutory school age in a parent participating, community based group.
- To provide a safe, secure and stimulating environment.
- To work within a framework, which ensures equality of opportunity for all children and families.

We provide:

- A curriculum that works towards nationally approved learning targets.
- Trained and experienced staff to guide children's learning as they play.
- Opportunities for fun and friendship in a caring environment.

Admissions Policy:

Children from 6 months old are eligible to join the Kindergarten and certain criteria may mean that some families are entitled to 9 month old funding from the term after their child turn 9 months, 2 year old funding the term after their child turns two. 3 & 4 year old funding is available with all children eligible to 15 hours. 30 hour funding is also available. In all circumstances the following admissions policy applies:

1. Children who are resident in Oakley. Preference will be given to children with special needs or those children whose parents have additional needs.
2. Children child-minded in Oakley.
3. Children in receipt of 2 year old funding.
4. All other children applying to Kindergarten will be considered on their own merits according to the vacancies at the time. In this case, parents are advised to place their child on other settings' lists as a precaution.

Please note, we **do not** require any children to be dry and out of nappies before they start at kindergarten.

Once we have received your completed application form you will be informed of availability of spaces as soon as we know. We would appreciate you advising us as soon as possible if you decide you no longer require a place at Kindergarten.
